

ACCESS
Health & Community

Access Diabetes Check for 40-49 years

Are you at risk of diabetes or have a family history of diabetes? Do you have high cholesterol or blood pressure? Are you overweight?

What options are available?

A GP or Nurse will:

- Give you information and advice to manage your risk factors
- Arrange referrals to health services
- Refer you to group programs to get the information and support you need to modify your lifestyle and reduce your risk

To find out if you're eligible, talk to your usual GP.
If you don't have one, speak with our receptionists.

About us

We are a quality, not-for-profit, accredited health and community service providing doctors, dentists, allied health, counselling, alcohol and drug services, child and family services and social support programs. We offer services for all ages and work as a team to support you.

Our fees

From Monday to Friday, medical services are bulk billed at no cost to patients with a Medicare card.

Overseas visitors, and those without Medicare cover, will be billed.

Appointments and Referrals

Please contact us on:

E: intake@accesshc.org.au or T: 03 9810 3000

If you need to reschedule your appointment; please contact us at least 24 hours before.
