

Happy, healthy kids

with Access Health and Community

We help you raise happy, healthy kids with services that support childhood health and development, and overall wellness.

Call **03 9810 3000** to book an appointment today or visit **accesshc.org.au** to learn more.

ACCESS
Health & Community

Audiology

Our audiologists check your child's hearing and provide education, advice and support for any difficulties they may be having.

Camcare

We partner with this life-changing organisation to assist families in Boroondara who are facing personal and financial hardship.

Child & Family Services

We offer tailored support and guidance for you and your child, and help you address concerns around their emotional, social and physical development.

Dental

Our caring dental team works hard to give kids a healthy smile and a positive experience. Ask us about government assistance for children's dental care.

Eczema Workshops

Dermatology nurses from The Royal Children's Hospital Eczema Clinic run family education sessions at our Hawthorn site.

Medical & Nursing

We offer comprehensive medical care for children of all ages. Routine health checks help you monitor your child's developmental milestones.

Mental Health & Wellbeing

Our counsellors, psychologists and social workers help children and families tackle personal concerns and mental health issues.

ndis National Disability Insurance Scheme

We help families navigate and transition onto the NDIS system so you can focus on your child's wellbeing.

Call 9810 3000 to book an appointment.
