

# Are you interested in helping us improve wellbeing in your community?

**We are inviting people to join the AccessHC Community Advisory Committee.**

**Do you live, work or study on Wurundjeri Woi Wurrung Country (in the east, north or north-east of Melbourne)?**  
Or have you used our services?

**You may bring one of more of the following:**

- Knowledge of your local community
- Involvement with local community groups or organisations
- Experience using our services, or have friends, clients and families who have
- An interest in having a say about local health and community services

We encourage applications from Aboriginal and Torres Strait Islander, migrant, refugee and LGBTIQ+ community members, and people who bring diverse lived experience (for example disability, mental health, addiction or social housing).

**To get involved or find out more**
