

COVID-19

We are Open

Our Child & Family services are still open There are changes to the services we offer

The AccessHC Child and Family team are still operating and accepting referrals for our Community Health, Fee for Service and NDIS services (e.g. Speech Pathology, Occupational Therapy, Psychology, Dietetics, Physiotherapy, and Early Childhood Early Intervention). Please refer to our [website](#) for detailed service information

To ensure the safety of our children, families and community the team are working differently:

- We are now providing all support to families via phone and video link
- Online Mother Goose program: we encourage all parents to contact us to discuss eligibility for this online group at Mother.Goose@accesshc.org.au
- Online supported playgroups - parents or referrers: please contact us to discuss eligibility for this online playgroup on [0466 497 066](tel:0466497066) or Mandy.Burns@accesshc.org.au

We are here for any new clients you wish to refer!

Our intake team is available to answer any questions you may have:

- For non-NDIS funded clients/queries contact - CFTIntake@accesshc.org.au or [9978 8698](tel:99788698)
- For NDIS funded clients/queries contact - ndis@accesshc.org.au or [9978 8697](tel:99788697)

Families can ring us directly or you can make a referral on their behalf using the attached form.

Please ensure that you have verbal parental consent before making a referral to our team.

*We look forward to working together to
support children and their families during this difficult time.
Child and Family Team*
