Action Grants Program

We provide grants to support action around Gender Equity and Social Inclusion.

The Action Grants Program helps schools, early childhood centres, sporting clubs and community groups in Manningham and Boroondara to be more inclusive by creating safe, equal and respectful environments for everyone.

You can use this grant to implement actions such as:

- Attending relevant professional development training
- Creating a new program
- Purchasing new equipment and resources

This small grant is limited to \$1,000 (ex. GST) per group.

Applications are accepted until the allocated funding has been used, or until 1 May 2021.

What's involved?

1. Discuss your project with an AccessHC Health Promotion Practitioner.
2. Submit an Action Grants Application Form by 1st of any month to grants@accesshc.org.au.
3. The Action Grants Committee will review applications.
4. Funds are to be spent within 3 months of approval and a brief report completed.
