GENERAL INFORMATION

Access Health and Community offers social support and respite services to people aged over 65 living in Yarra.

Our Social Support Bus Outings provides the opportunity for people to visit places of interest, and enjoy the company of others.

Participants are picked up from their homes between 9am and 10am and returned by approximately 4pm.

Clients must be registered with My Aged Care. We can provide assistance with the registration process if you need.

To register for an outing:

- Calling 9006 6580, or
- Emailing carer.support@accesshc.org.au

Bookings are taken on a first come first served basis.

Bus outings are popular and places are limited so, to ensure everyone get the opportunity to participate, you may not be able to attend two consecutive trips.

You must give at least 48 hours notice if you are not able to attend. Late cancellations will be charged. Exceptions to this may be made in some circumstances at the Team Leader's discretion.

Bus outings are \$12 per trip, plus the cost of meals. Invoices will be issued monthly.
