Programs at Currawong Bush Park will not run on extreme fire days.

Programs are \$8 per session.

Movie and Discussion- \$15 per session.

Bus outings are \$15 per trip, plus the cost of meals.

Invoices are issued monthly.

Fees are subject to change.

Exercising Safely

Regular participation in structured exercise is important for maintaining good health but please talk to your doctor before joining our program. You should also consult your health professional if you have been unwell or are returning to exercise following surgery to make sure that you are fit and well enough.

Stop exercising IMMEDIATELY & notify your instructor if you experience discomfort or pain, including chest pain, extreme breathlessness or a rapid or irregular heartbeat.

Here are some tips for participating in an exercise class or walking group:

- Wear comfortable clothing such as shorts and t-shirt, or a tracksuit. Always wear appropriate lace-up shoes.
- Bring along any medication required with your name clearly labelled and make sure it is easily reached.
- Bring along a water bottle, exercise mat and an old towel.
- Come to class on time to participate in the warm-up.

The Walking Group will not run when extreme weather conditions are predicted, including fire danger, temperatures over 35°C, or thunderstorms.
