About this Access Key

An Access Key is a document that describes a physical space and how to access it. Access Keys are used to describe the features of a place. They are designed to be suitable for all people, regardless of ability. Not all places and spaces are easy to access for families, carers and supporters. If you have any questions, concerns or feedback, please get in touch. You can call us on (03) 8845 4150 or email us on northeastmetroconnect@accesshc.org.au.

How to use this guide:

You may want to read this document in full or skip to the parts where you want more information. There are pictures in this document, with image descriptions that may help you to visualise and understand the space.
